

LIMITED QUANTITY! NEW PORTABLE AMETHYST INFRARED CUSHION!

The outermost layer of the BioAmethyst Cushion™ is a finely woven cover, composed of extremely fine fibers of polyester. Finer than silk, the BioAmethyst Cushion's™ exceptionally smooth and soft-to-the-touch texture won't irritate your skin!

The BioAmethyst Cushion's™ tightly woven structure is great for resisting moisture and pollutants! The high thread count helps the BioAmethyst Cushion™ resist certain surface defects like pilling, so you don't have to worry about those tiny balls of lint coming loose!

RICHWAY & FUJI BIO INC.

BIOAMETHYST CUSHION™

Start taking your BioAmethyst Cushion™ with you on the go!

Is the car seat giving you trouble? Is your work chair feeling uncomfortable? Is your seat killing you? In a typical work day, most of us can find ourselves sitting up to 5 hours a day. It doesn't matter if you're young or old, in a rush or relaxing; we all want our days to be more comfortable and convenient! Add a little extra support wherever you need it! The BioAmethyst Cushion™ is a soft, lightweight, and durable cushion. It's simple to wash, and it's easy to take on the go!

The BioAmethyst Cushion™ Provides Comfort All Year Long!

The BioAmethyst Cushion™ is great for any season! The BioAmethyst Cushion's™ microfiber cover helps it resist water so you don't have to worry about it sticking to your skin when it's hot. The BioAmethyst Cushion's™ thin and tightly woven threads help insulate the cushion, perfect for those cold nights to keep your seat warm.
